1945 PRICE LIST

NON WARRANTY: UTICA SEED CO., INC., gives no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs, plants or onion sets we send out, and we will not be, in any way, responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seed. We will not fill, or accept, any orders under any other conditions.

ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE.

Jan. 1, 1945

Please Note—

At the time of going to press, the seed situation is considerably better than it has been in the past three years, thanks to good growing weather and good yields on most varieties of seed.

To the Market-Gardener and Home-Gardener alike, we extend our congratulations on a job well-done, in producing the necessary food for Victory.

Orders will be shipped promptly, but due to the fact that freight, etc., is slow and uncertain, please order early, so that you will have your seed on hand when you need it.

All items in our catalog are at, or below, our ceiling prices, as established by the OPA.

For further information, please refer to the inside front cover of our catalog.

ASPARAGUS
